OBJECTIVE

To use my academic knowledge and technical skills in software development while pursuing MCA. I want to gain hands-on experience through meaningful projects and practical problem-solving.

EDUCATION

Noida Institute of Engineering and Technology, AKTU University — Expected 2026

Master of Computer Applications.

Ram Dayalu Singh College, BRABU University — 2020 – 2023

Bachelor of Computer Applications. — 72.1%

TECHNICAL SKILLS

Languages	Python, javascript
Web Technologies	HTML, CSS
Frameworks / Libraries	Bootstrap, Node.js, Express.js
Currently Learning	React , MongoDB
Developer Tools	VS Code, Git& GitHub

PROJECTS

Sacred Temples Travels. (HTML, CSS, JavaScript)

Built a responsive website to showcase famous temples across India using **HTML, CSS, and JavaScript**. It features temple history, events, festivals, and trip booking and Meditation options. I integrated interactive elements, such as filters, galleries, and contact forms, to enhance user engagement. This project comprises multiple sections, highlighting the cultural and spiritual heritage of the area. (code)

Personal Portfolio Website.(HTML, CSS, JavaScript)

Created an interactive portfolio with **HTML, CSS, and JavaScript** to display projects and abilities in an interactive design.(code)

LEADERSHIP EXPERIENCE

- Directed a 3-member group to design a web project – "Sacred Temples Travels", overseeing task allocation and deadlines.
- Captain of the Village Cricket Team, showing teamwork, strategy, and leadership.
